Part 2 - Read the following passage carefully and answer the questions below. (3 x 2m)

Do you know that a long time ago, frogs could sing beautifully? Day and night, many people would go to the pond to listen to the sweet music made by the frogs. Young girls would take along some flowers with them. They would clap their hands and throw the flowers into the pond after the frogs had finished singing.

One day, some naughty children came along. Instead of clapping, they teased the frogs. They even threw some old coins at them. The frogs did not know what the coins were so they swam to the bottom of the pond and swallowed the coins. The coins got stuck in their throats. From then onwards, the frogs found that they could not sing anymore. Since that day, frogs have been croaking.

5. What did the girls throw into the pond after the frogs had finished singing?

6. What did the naughty children do to the frogs?

7. Why did the frogs swim to the bottom of the pond?
