Max was playing with his friends at the playground when he stumbled upon a shiny coin. Excited by his discovery, he picked it up and examined it closely. It was a rare silver coin with an intricate design etched on its surface.

Filled with excitement, he proudly showed his friends the silver coin he had found. Emma and Leo were impressed by its beauty. "It looks really valuable," Leo exclaimed as he looked at Max's coin with envy. 5

Feeling proud of his discovery, Max decided to keep the coin safe in his pocket for the rest of the day. However, as evening approached, Max realized that the coin was missing. Panic set in as he could not find it even though he had combed through everywhere he had been that day. 10

Emma and Leo joined in the search and they spent hours scouring the neighborhood. Unfortunately, despite their efforts, the precious silver coin was nowhere to be found. Feeling upset, Max returned home with a heavy heart. He knew he had made a mistake by not keeping the coin properly.

When he returned to school the next day, he saw something shiny on his table in the classroom. He quickly rushed to his table for a closer look. He could not believe his eyes when he saw his silver coin. It turned out that Emma and Leo had found the coin! Max turned around to see both of his best friends grinning from ear to ear. 15

"Next time you find something valuable, make sure to keep it safe," reminded Emma as she gave Max a gentle pat on his shoulder. Max nodded, and this time, he kept the coin in his bag. From that day on, he became more cautious with his belongings. 20
