Dear Grandma,

I hope this letter finds you in good health! I am eager to share the details of my delightful day last Saturday.

I expressed to Mum my desire to visit the park and (ride my new bicycle. Initially, she was occupied with household chores but upon witnessing my enthusiasm,) she graciously agreed to take me. My excitement was obvious as we made our way to the park.

Upon our arrival, we were greeted by a radiant sun and the sight of children flying their vibrant kites. I could also see children playing on the swings. I could hardly contain my eagerness to ride my bike!

Mum assisted me in fastening my helmet securely before I mounted my bicycle. At first, I struggled to maintain my balance. It was hard balancing on two wheels. I was also scared that I would fall off and hurt myself but with Mum's encouraging words and practical advice, I gradually became more confident. The sensation of the wind rushing through my hair was exhilarating!

After pedalling for a while, I decided to take a short break to hydrate. During that pause, I noticed a cheerful little girl observing me. I kindly invited her to join me and we enjoyed racing around the park together.

Before departing, Mum captured a photograph of me on my bike. I am excited to share it with you! I truly had an unforgettable day, Grandma. I hope you can visit soon so I can demonstrate how well I can ride my bicycle.

With love,
Emma
